

**REMARKS**

The Applicant would like to thank the Examiner for the recognition of the allowable subject matter.

Claims 1, 6-7, 10-11 and 15-16 are rejected under 35 USC 102(b) and Claims 2-5, 8-9, 12-14 and 17-20 objected to as being dependent upon a rejected base claim. The Applicant respectfully traverses the rejection of claims 10, 11, and 15 and seeks reconsideration.

To overcome the Examiner's rejections, Applicant has combined dependent claim 8 with independent claim 1 and dependent claim 19 with independent claim 16. Further, claim 10 has limitations identical to those found in allowable claim 4. The Applicant, therefore, requests reconsideration of this claim.

With this response, it is respectfully submitted that all rejections and objections of record have been overcome and that the case is in condition for allowance.

Should the Examiner have any questions or comments, he is respectfully requested to contact the undersigned.

Respectfully submitted,

Thomas E. Donohue
